

## **Kahu Feature Descriptions**

### **Theft Recovery**

Get your car back quickly if it's stolen with a 24x7 vehicle-recovery hotline that works directly with law enforcement. Average recovery time is just 26 minutes.

### **Peace of Mind**

Always know where your car is located – whether it's lost in an airport parking lot or being driven without your consent.

### **Car Alerts**

Let your car tell you when the battery is low, speed thresholds are broken or a customized boundary is crossed.

### **Potential Cost Savings**

Ask your insurance provider about discounts of up to 25% m for equipping your car with a Stolen Vehicle Recovery product.

### **Nationwide Coverage**

Kahu offers broad, nationwide coverage delivering service reliability that other Stolen Vehicle Recovery providers cannot match.
