Morrison Express Appoints Krajniak VP, Americas Region

Morrison Express, a global logistics, transportation, and supply chain management provider, announced that Ron Krajniak has joined Morrison Express as Vice President and General Manager, Americas Region.

"Serving in key leadership roles in both domestic and global operations with clients across the supply chain and logistics industry, Ron brings broad-reaching experience to our management team," said Morrison Express Chairman and CEO, Danny Chiu. "Ron has a history of driving results and achieving corporate goals while managing operations and cross-functional teams to success," Chiu added.

"I'm excited at the opportunity to work with this dynamic team and am committed to our strategic growth and expanding our offerings in the marketplace to serve our growing client-base," Krajniak said. "Morrison Express is well-positioned to not only achieve but exceed its goals and I'm looking forward to leveraging my experience in operational transformation and business development here to help achieve that," said Krajniak.
