

How Kahu Works

1

Your car comes equipped with Kahu GPS technology

2

Download the Kahu app to find your car anywhere and to set and use Connected Car features like alerts for speeding and boundaries.

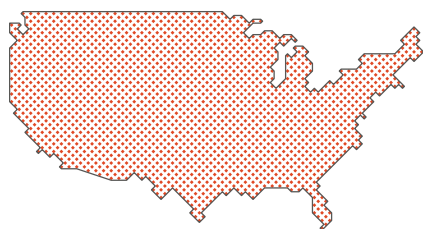

3

If your car is stolen, we work with law enforcement to quickly recover it.

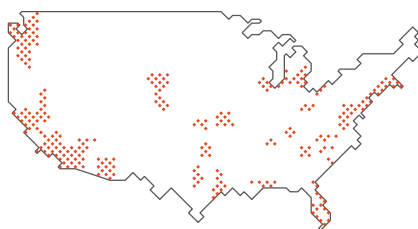

Connect and Protect
Your Vehicle.
A Smarter Add-On.

Introducing Kahu

Connect and Protect

Equip your vehicle with the latest GPS technology that helps protect you and your vehicle and also makes your car smarter.

Connected Car App

Pinpoint your car, view alerts, battery status and more via the Kahu mobile app.

24x7 Theft Recovery Concierge

We work with law enforcement to recover your vehicle if it is stolen.

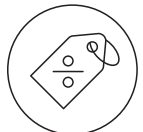

Driving Behavior Alerts

Understand how your vehicle is being driven with alerts for speed and boundary.

No Hidden Fees

One time purchase of device, no subscription fees. Full transferable if vehicle is sold.

Insurance Discounts

May lower insurance costs.

Financial Guarantee

Receive up to \$5,000 reimbursement if vehicle is not recovered in 30 days.
