

LoJack Go Feature Descriptions

Recover a Stolen Vehicle

Find your car nationwide, then work with law enforcement to recover it quickly.

Find Your Vehicle

See exactly where your vehicle is 24/7, no matter who is driving.

View Trip History

Understand where your car has been including route, date, time of day, and length of trip.

Get Smart Alerts

Receive notifications for speeding, mileage, and low battery to ensure your car is driven safely and won't leave you stranded.

Create Geofences

Set boundaries around places like work and school and get notified when your vehicle enters or exits the area.

Make a Payment

Make your car payment conveniently and securely right from the app. Also, see your history of payments and detailed receipts.

Find a Repair Shop

Protect your wallet and your vehicle by using certified repair shops with upfront, transparent pricing, strong customer satisfaction and fair local labor and parts rates. Includes cost estimator and online scheduling. Repairs guaranteed for 12 months/12,000 miles.
